**Name:** Haroaki Mizumura / Tsukuyomi

**Occupation:** Shinto Priest

**Base of Operations:** (Nomadic)

**Affiliations:** None

**Physical Description:**

- **Hair:** Black
- **Eyes:** Blue
- **Height:** 5'5"
- **Weight:** 136 lbs.

**Personality Traits:** Compassionate, reserved, introspective, driven by a desire to save as many people as he can from the chaos of the underworld.

**Backstory Summary:** Haroaki Mizumura was found as a newborn washed up on the shore of a fishing village on the coast of Japan. Raised in the local Shinto shrine, Haroaki would go on to become an encyclopedia of yokai and the legends associated with Yomi. When Yamata no Orochi's forces attacked the village and kidnapped the princess, Haroaki embarked on a perilous journey to rescue her, confronting both external threats and his own mysterious origins. As he goes about his journey, the people of Japan begin interpreting him as if he were Tsukuyomi in human form, given his relationship to the moon. Over time, even Haroaki starts to question this, and so he adopts the title cautiously.

**Abilities**

**Lunar Divination:** Harnesses the moon's phases to gain insights and foresee events.

**Dream Linking:** Enters and navigates dreams to communicate or confront spiritual entities.

**Lunar-Based Healing:** Channels lunar energy to heal physical and spiritual wounds.

**Tools**

**Paper Charms:** Utilizes ofuda for protection, exorcism, and sealing malevolent spirits.

**Magic Armor:** Summons ethereal armor imbued with moonlight for defense.

**Scrolls Collection:** Maintains a compendium of methodologies to dispatch or exorcise malevolent spirits.

### **Ancestral Legacy**

Haroaki descends from elemental spirits, ancient protectors of the world who once served sea dragons and communicated with the moon. Over time, their intermingling with humans led to a dilution of their powers. Haroaki, representing the latest generation, possesses a mere fraction of their former might. However, it's believed that he holds the potential to restore his people's legacy, bridging the gap between mortals and the divine.
